Always giving you more.

Dear Procurement Team

You may already be aware of the news of the fire at our JLR Preston site on Friday, 7th April 2023. We are glad to report that following the incident all our colleagues and the local community are safe and well. We are now working with various experts to determine the cause and as we work through this, the business will be closed temporarily.

For the short term please do not attempt to deliver any goods and/or services to the JLR Preston site - Bluebell Way, Junction 31A M6 Northbound, Preston PR2 5PZ. A member of the Inchcape team will be in contact with more information as we obtain a clearer view of the impact that the fire has caused.

Thank you in advance for your understanding and patience while this matter is resolved.
