

# Audi connect plug and play

Explore the range of features and benefits of the plug and play app inside.

Download the app today.

Scan me:

**Overview of the most important car data**

**Evaluation of your driving style**

**Automated recording of car location**

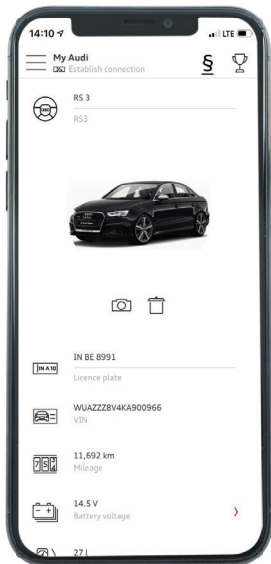

**Review of fueling monitor**

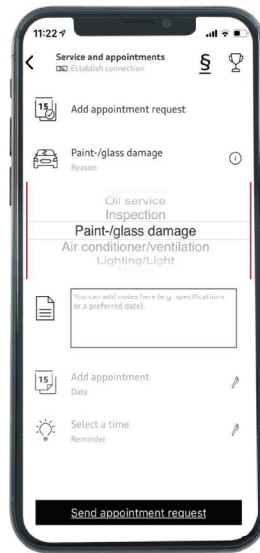

**Contact your service partner**

## Vehicle Overview

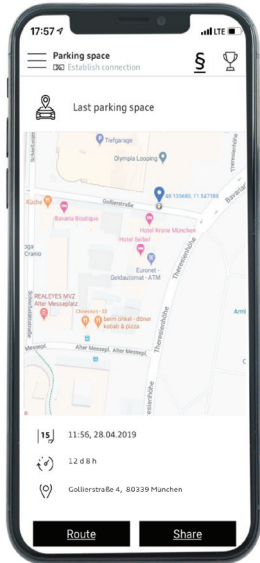

- ▶ See the most up to date information about your vehicle including mileage and fuel, including notifications of upcoming services
- ▶ Quickly and directly send an appointment request to your preferred Inchcape centre for the following services: battery check, oil service, maintenance service, general inspection, tyre change
- ▶ Digitally store information about the vehicles tyres with a variety of details (e.g. kind of tyre, manufacturer, driven miles)

## Service and Maintenance Requests

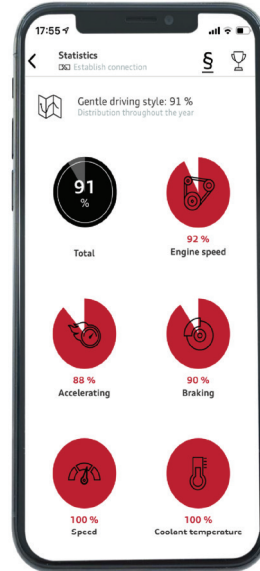

- ▶ Automatic or manual service appointment request
- ▶ By requesting your appointment via the app, vehicle data can be transferred for more accuracy
- ▶ Once received, your chosen dealer will contact you to confirm your appointment
- ▶ Add an individual message for dealer if desired
- ▶ Appointments can be scheduled anywhere, anytime
- ▶ Route guidance to selected Inchcape Audi dealership

## Parking Locator & Trips

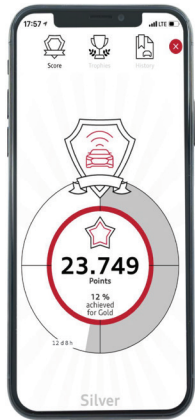

- ▶ Automatic saving of parking spot when vehicle is switched off
- ▶ Duration of parking
- ▶ Navigation to parking
- ▶ Share your parking location with others, e.g. via WhatsApp
- ▶ Record of all trips including manual categorisation based on trip type (private, business, trip to work)
- ▶ **Full transparency** for the customer regarding fuel expenses
- ▶ Summary of statistics per trip
- ▶ **Export function** (PDF)
- ▶ Driving statistics for each individual trip are recorded

## Vehicle Statistics

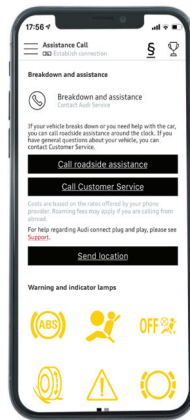

- ▶ Statistics shared on Driving Style, including Engine speed, braking and acceleration
- ▶ Overview and breakdown of miles driven
- ▶ Fueling statistics
- ▶ Speed
- ▶ Coolant temperature
- ▶ Types of trip (Personal or Business)

## Take part in Driving Challenges

- ▶ Collect points based on your driving behaviour, including your driving style, visits to the car dealerships or regular app usage.
- ▶ Level up through Bronze, Silver, Gold and Platinum ranks based on regular participation.
- ▶ Unlock new challenges and earn trophies!

## Roadside Assistance and Support

- ▶ In the event of a breakdown or accident, the national 24-hour breakdown service or Audi service hotline can be contacted directly via the Assistance call function in the app. The current vehicle location can be sent as well.

Download the Audi connect plug and play App today to benefit from all these features. Simply scan the QR code to install the app to your smartphone.
