

Inchcape UK

Always giving you more.

Dear Inchcape Supplier,

You may be aware of the news of the severe flooding caused by storm Babet at JLR Derby and bravoauto Derby sites over the weekend of 21st October 2023. Both sites are temporarily closed while a full assessment of impact and damage caused is carried out.

At this time, we have no option but to temporarily suspend your services with immediate effect. Therefore, for health and safety reasons, we ask for the short term that you do not attempt to visit or deliver any goods and/or services to the following Derby sites:

Franchise	Site Name	Address	Post Code
bravoauto	bravoauto Derby	26-33 Chequers Road	DE21 6EP
JLR	JLR Derby	20 Chequers Road	DE21 6EL

A member of the Inchcape team will be in contact with more information once we (and external surveyors) have assessed the impact of the flood and have an understanding of when operations at the sites will resume.

Thank you in advance for your understanding and patience while this matter is resolved.
